

# ISUB ACTIVE

## Product sheet

Benefiting from the renowned Focal expertise in car audio solutions, the ISUB ACTIVE subwoofer delivers powerful, boosted bass as the perfect addition to any on-board audio system. It genuinely enhances the sound experience without taking up any space in the cabin or boot. In fact, it's compact enough (standing at just 2½" (6.3cm) tall) to install easily beneath the seat.

### Key points

- Ready to use (ISO Plug & Play cables supplied)
- Compact product, discreet integration, floor fastening
- Easy to use
- Various options for adjusting the subwoofer
- Robust design

**Check the space available before installing anything in the desired locations**
